SPONSORSHIP FORM

Bread & Life International: Rebuild, Restore and Revive is an UK registered charity passionate about helping the less fortunate. We have been involved in projects such as building children’s home, building water systems/ pumps, building small scale fish, poultry and pig farms as well as supporting orphanages, refugee camps.

WE HOPE TO RAISE AWARENESS AND FUNDS.

Bread & Life International has also made multiple trips to Nepal, Thailand, Myanmar and Cambodia and have supplied lifesaving essentials such as mosquito nets, water filters, water pumps, blankets to refugee camp and orphanages. We aim to support the people through medical, financial and educational means. Trips will also allow team members to understand the “ground situation” of these people and motivate us with fresh perspective on how we can build on the projects we have or develop new ones to provide them with a self-generating income.

This summer (July 2016), we are going back to Nepal and we would like to raise funds to support medical and dental clinics, goat farm and rebuilding permanent houses for the ones who lost their home in the earthquake in 2015.
